Subject: Advisory for publishers of online curated content – reg

Ministry has from time to time issued general advisories to publishers of online curated content and their self-regulating bodies under the Information Technology (Intermediary Guidelines & Digital Media Ethics Code) Rules, 2021 cautioning them to exercise discretion in relation to content which can be transmitted/published on their platforms.

2. It is once again been brought to the notice of all stakeholders – OTT platforms and their self-regulating bodies to take abundant precaution in ensuring that films and web-series published/transmitted by them do not fall foul of the general principles laid down in the Code of Ethics especially which has the potential of affecting the sovereignty and integrity of India and which may incite violence or disturb the maintenance of public order.

The above may kindly be taken note of by all concerned.
